**Definitions:**

American's with Disabilities Act (ADA)	These projects improve physical access to existing facilities for person with disabilities.
K-2 Second-floor Exiting	These projects provide additional stairs and exiting for the sole use of K-2 students on the second floor of two story elementary school buildings.
Path of Travel	These projects provide accessible path of travel for persons with disabilities.
Portable Certification Project:	These projects will upgrade existing portable classrooms to meet current code requirements of the division of the state architect (DSA) or replace them with new classrooms that meet DSA requirements so that all portables on the site can be DSA approved and certified.
Site Modernization	These projects provide modernization of existing facilities as defined in the bond project list (ADA, repair and replacement of building systems, security, etc). These project differ from whole site modernization projects because other Prop S projects on the site are being executed under separate contracts.
Whole-Site Modernization	These projects include all of the major bond project elements (with the exception of I 21 technology) in one construction contract.
