**Audition Requirements:**

**Part 1: Scales**

**C, F, Bb, Eb and G Major (concert pitch)** – one octave required. Credit will be given for speed, articulation, and a second octave.  
**Chromatic Scale** – one octave required. Credit will be given for speed, articulation, and additional octaves.

**Part 2: Prepared Piece**

Students are to prepare this selection as written because their knowledge and use of dynamics, articulations, style, will be noted.

**Part 3: Sight-reading.**

Students will be given a short piece and will have 1-2 minutes to study before they will perform the selection to the best of their ability. Credit will be given for fluency and correct demonstration of pulse, rhythm, and style.

**Audition Tips**

- 1) This is not for a grade - so relax and have fun! Show off your skills and be the best salesperson you can!!!
- 2) Observe all tempo markings, dynamics, key signatures, and accidentals.
- 3) Play with the best tone possible.
- 4) Focus on what you think the judge is going to be looking for from each selection. Is it sound, rhythm, note accuracy, articulation, etc.?
- 5) If you have questions about your audition piece, ask your director for help.
- 6) Perform “practice auditions” for your teacher and/or friends. The more you “perform” the less nervous you’ll be on audition night!
