Be a Good Neighbor

We have received some complaints about cars parking across and in neighbors' driveways during dismissal time. We are asking that everyone obey traffic laws and respect private property as you drop off and pick up students each day. Please do not park in or across private driveways. Thank you!

America's School Spirit Challenge

Thank you to those who have voted in America's School Spirit Challenge. Please remember to go to www.americasfavoriteschool.com and vote for Freese. The school with the most votes wins \$20,000! In these difficult budget times, that prize could certainly be useful. Parents, please go to the website and vote for Freese, and spread the word to all the adults you know to vote for Freese as well. We have 20 votes so far. Let's show our school spirit, step up our voting and win this challenge! Thank you!

National Children's Study Hiring

The National Children's Study (NCS) is the largest long-term study ever done in the United States on how the environment affects children's health. They are looking for enthusiastic people to join their team.

They are looking for NCS Interviewers (Research Assistant III) who will be responsible for walking through preselected neighborhoods in San Diego County and speaking with people to identify women who are eligible for the study. They will also conduct household screening questionnaires with these women.

Salary: \$14 - \$16 hourly with limited benefits

Parent Conferences

Nov. 15 -19 – Please Plan Ahead

Parent Conferences are coming up in a few weeks. We want all parents to be prepared for these conferences because students will be dismissed from school at 12:45 p.m. the entire week of November 15-19. Make arrangements now for early dismissal. Students are not allowed to stay around school and wait for parents to arrive for conferences because there is no supervision available. Plan ahead!

Freese is a "No Candy" School

Parents, we have found that much more learning occurs when children's bodies are not filled with candy. Since one of America's biggest candy days is coming up this week (Halloween), we ask parents to remember that Freese is a "No Candy" school, so please, do not allow your child to come to school with candy. Every learning moment is precious and we need all Freese students to be at their best while learning. Thank you!
