

CRAWFORD HIGH EDUCATIONAL COMPLEX

Welcome to the Crawford High Educational Complex, which offers all students a rigorous college preparatory curriculum in a personalized learning environment. Each of the four Crawford schools is an independent community that offers students the opportunity to select a theme that matches their interests and allows them to make real world connections.

CHAMPS (School of Community Health and Medical Practices) High School

CHAMPS offers a dynamic learning environment that supports trust, mutual respect and the pursuit of excellence. Students interested in health and medical science will develop leadership skills as they learn to make a difference through helping people.

Electives may include: Physiology and Anatomy, Medical Assistant, Biotechnology, Computer Applications and Chemistry of Nutrition.

IDEA (Invention and Design Educational Academy) High School

IDEA students explore the way inventions and technology have affected their lives and shaped their community, country and world. Students are provided with hands-on projects that make learning fun and meaningful.

Electives may include: Web Design, Pre-Engineering, Architecture, Computer Applications and Interior Design.

School of Law and Business

If you're interested in the study of law enforcement, the legal system, or the business world then the School of Law and Business is for you. Students have many opportunities for real-world experiences such as field trips, job shadows, internships, and college tours.

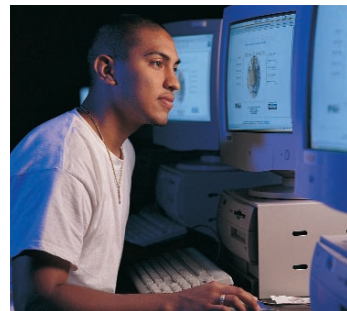

Electives may include: Criminal Investigations and Forensics, Introduction to Criminal Justice, Business and Computer Applications, Marketing and Business Ownership.

School of Multimedia and Visual Arts

Imagine yourself doing art with a technical twist. Imagine yourself creating videos, web designs, and graphic art. MVAS will provide you with exciting computer experiences and the

opportunity to work in the professional field of your choice. Use multimedia and visual arts to explore and express your creativity. Electives may include: Web Design, Animation, Painting, Drawing and Sculpture and Graphic Arts.

The Crawford High Educational Complex offers a variety of athletics, clubs and community involvement opportunities via job shadows, internships and apprenticeships. Students will benefit from the personalized environment at each school and all students will be held to rigorous standards and expectations.
