

How to View My Open Tickets in Cherwell

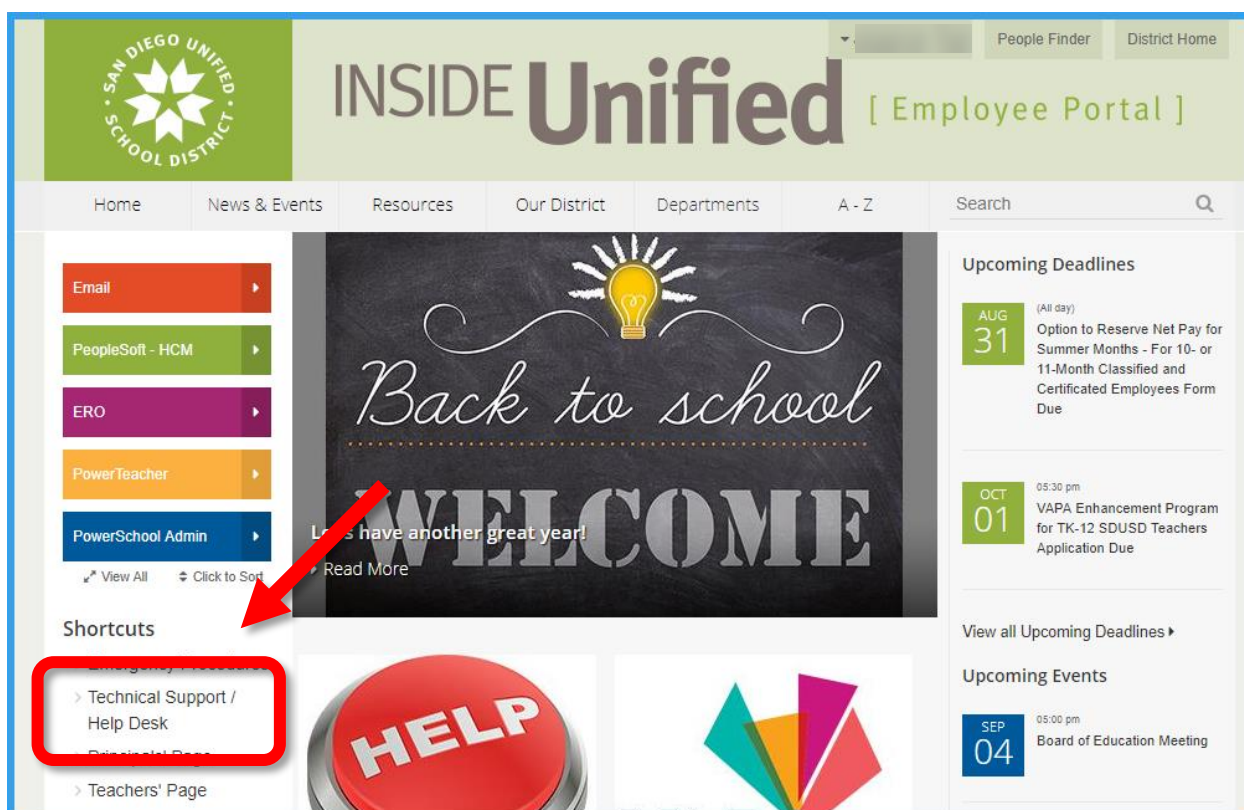

October 2018

The **IT Help Desk** at **San Diego Unified School District** uses the **Cherwell Service Management** system to create and manage service request 'tickets' for technical support and IT services. This Job Aid was created to assist District staff in using the online web form to view their own tickets (or tickets they created for someone else) in the **Cherwell Service Management (CSM)** system for technical support or IT service.

Follow the steps below to **View My Open Tickets** using the **Cherwell Service Management** system.

1. On the **San Diego Unified School District** website, click on the **Staff Portal** and sign in. In the bottom, left corner of the page under the heading, **Shortcuts**, click on the link **Technical Support/Help Desk**.

2. The **Help Desk/Technical Support** home page will display. Under the heading, **Help Desk News**, you will find important information regarding the new **Cherwell Service Management** system. To get to the **Cherwell CSM** home page, simply click on the link: <https://sdusd.cherwellondemand.com> (see the **red arrow** below).

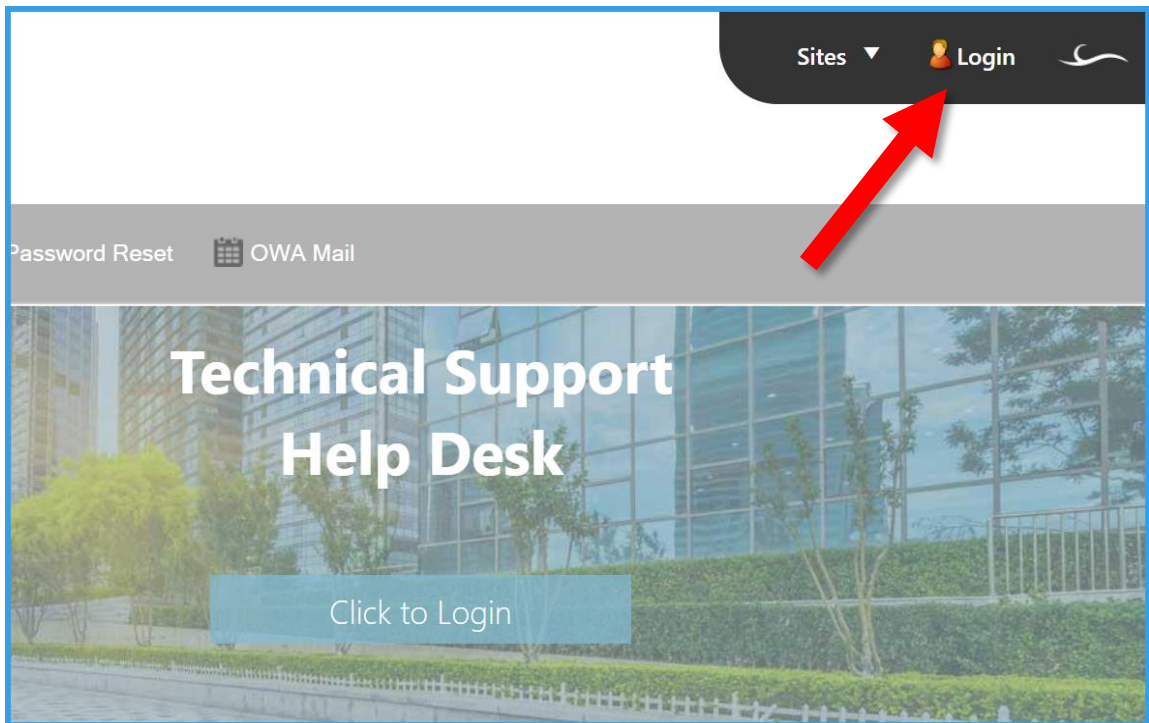

Note: There are four Job Aids available with instructions on how to use the **Cherwell Service Management** system (see the **green highlighted area** above). To learn more about how to use the basic features of the **Cherwell CSM** system, simply click on any Job Aid link to open it in a new tab (in **PDF** form).

5. Your **Cherwell Service Management** account home page will display. To view your **Open (or Closed)** Incident Tickets, simply click on the **My Open Tickets/Requests** button below, or the **My Home** link at the top of the page. Both options will take you to your **My Items** page.

6. Your **My Items** page will display with your **Unresolved** Incident Tickets below the **My Open Tickets** banner. Your **Resolved** Incident Tickets will display under the **Recently Closed Requests** banner.

My Items

Below you will find a listing of all your open and recently closed service request and incident tickets. You can view, edit, comment on and reopen any of your tickets listed below.

My Open Tickets

Report Outage or Error, Submit Incident, Incident ID 103016
9/4/2018 5:04 PM
Status: New
My computer will not load Outlook: The mouse cursor keeps spinning or shows the hour glass icon. I get an error message: Error: 563 Unable to open Microsoft Outlook. I can use other applications, but I have to get to my emails. Please help!

Promethean Board, Drawers/Wings/Sound System, Incident ID 103018
9/4/2018 7:27 PM
Status: New
Owned By Team: Network Tech Group
My Promethean Board is not working properly. The sound will not come on regardless of how high I turn up the volume control. I need the sound to be able to use this presentation equipment in my classroom.

Recently Closed Requests

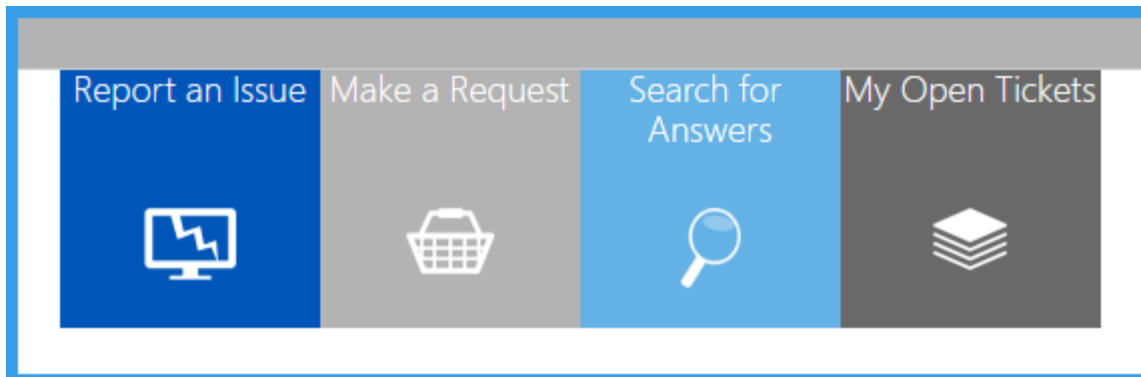

Computer, Submit Incident, Incident ID 103007
8/31/2018 3:07 PM
Status: Resolved
My mouse cursor is moving very slowly, disrupting the flow of work. Sometimes it is stuck in one position and no matter how much I move the mouse, the cursor just stays in the same place on my computer screen.

Computer, Submit Incident, Incident ID 103008
8/31/2018 3:42 PM
Status: Resolved
Owned By Team: Help Desk
Julie's computer monitor frequently has flashes of red or blue appear on the screen. It is a very big distraction when using the computer. It probably needs a new cable or something...

7. In addition to the **Open** and **Closed** Incident Tickets displayed on your **My Items** page, four shortcut links are located in the upper, right corner of the page to facilitate navigation.

- The first icon, **Report an Issue**, will take you directly to a new Incident Ticket page where you can report an issue to the **SDCS Technical Support** staff.
- The second icon, **Make a Request**, will take you directly to the **Service Catalog** page where you can make a request for assistance using specific, category selections. This method of creating a more specific Incident Ticket enables **SDCS Technical Support** to expedite your reported issue to qualified support staff
- The third icon, **Search for Answers**, will take you to a **Search** page where you can search for answers to specific technical issues (*or review previous Search results*).
- The fourth icon, **My Open Tickets**, will take you to your **My Items** page.

Note: For instructions on how to create a new Incident Ticket, please see the **How to Report an Issue in Cherwell** Job Aid.

For instructions on how to create a new Incident Ticket for someone other than yourself, see the **How to Report an Issue for Someone Else** Job Aid.
